SACRAMENTAL CERTIFICATES

You could not have failed to notice references in the media to the new Data Protection Legislation - **GDPR** - which came into force last month. Two major impacts on the information we hold, as a parish, is first we will have to conduct a new census (which will be held in the autumn) and second, requests for copies of certificates for Baptism, Marriage etc., **can only be made by the person in question** (or a parent for an under 13) and proof of identity must be provided. This change is **mandatory** and **cannot** be circumvented.

Before she goes, she needs to raise **£800** so that **VSO** can continue to send youth volunteers, like her, overseas to help communities in need. **Alana** is really excited that she's been given this chance and this is her way of making sure others will be able to do the same.

Any donations would be greatly appreciated and can be made either by dropping an envelope into the collection marked **Alana Sharples - VSO** or by visiting the fundraising webpage, which is at www.justgiving.com/fundraising/alana-sharples
